**business**  
en motion  
moving businesses and leaders ahead

We are different because we...

Ask the right questions and have the tough conversations

Co-create in-house capability and transfer full responsibility

Convert difficult concepts into simplicity

Work systematically, connecting all components with a 'red thread'

Are always authentic, energetic, honest, curious and partnership-focused

Show evidence of deep, maximized outcomes and real change, achieved with a minimum of fuss

## business consultancy services

Strategic Direction

Change Management

Organizational Development

Results and Outcomes

## Which should come first?

'business en motion' recommends that before any business consultancy or learning services are applied, it is wise to clear the corporate space of the following:

Conflict	Toxicity
Misalignment	Mistrust
Burnout	Silos
Stress	Role Confusion

System Coaching serves:

**Corporate Partnerships**

Vice Presidents, Department Heads

**Teams**

Team Realignment, Team Strengthening
