business
en motion
moving businesses and leaders ahead

business consultancy services

learning & training services

We are different because we...

Ask the right questions and
have the tough conversations

Co-create in-house capability and transfer
full responsibility

Convert difficult concepts into simplicity

Work systematically, connecting all
components with a 'red thread'

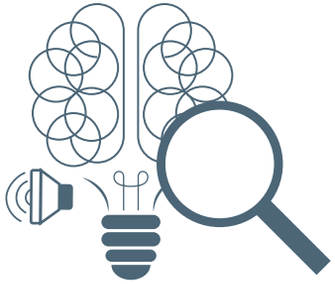

Are always authentic, energetic, honest,
curious and partnership-focused

Show evidence of deep, maximized outcomes and
real change, achieved with a minimum of fuss

www.businessenmotion.com

business consultancy services

- Strategic Direction
- Change Management
- Organizational Development
- Team Performance

Which should come first?

'business en motion' recommends that before any business consultancy or learning services are applied, it is wise to clear the corporate space of the following:

Conflict	Toxicity
Misalignment	Mistrust
Burnout	Silos
Stress	Role Confusion

System Coaching serves:

Corporate Partnerships

Vice Presidents, Department Heads

Teams

Team Realignment, Team Strengthening

learning and training services

- Design and Development
- Delivery of Training
